A troupe visiting from India comprising of Sri Mantap Prabhakar Upadhya, Vidwan Ganapati Bhat and Ananth Padmanabha Phatak will be presenting Ekavyakti Yakshagana, an innovative form of Yakshagana (a popular classical dance drama from Karnataka). Solo performance in Yakshagana style is an entirely new and refreshingly original innovation in the classical dance-drama systems of India. Here the Natya (theatrical) form of the original art is kept intact and the Bhana/Bhanika (solo) dimension is aesthetically developed. This troupe has given more than 1000 performances and currently performing at various locations in USA.
