Note: According to scientific formulae prescribed in scriptures, the Sunrise time at a given place uniquely determines the correct *tithi* at that place. This abbreviated panchang is prepared on basis of above rules- with utmost care and accuracy. It is based on San Francisco sunrise time. This is the only panchang in USA that strictly adheres to the Vedic principles. There is no scope for alternative interpretation in mathematical calculations. If you need any further explanation or think that there is an error, please contact us. For detailed info please refer to the **Palani Panchang**. Price \$25.00 including P/H. Make check payable to: Devendra Trivedi, 4831 Piper St., Fremont, CA 94538-2521. Rising time of the Moon is given for the Sankashty (Sankasht Chaturthi)
